3 Notice of Deposition of Jacob Krumgalz,
4 marked for identification.)

5 J A C O B K R U M G A L Z,
6 called as a witness, having been duly sworn
7 by a Notary Public, was examined and
8 testified as follows:

9 EXAMINATION BY

10 MR. THOMPSON:

11 Q. Mr. Krumgalz, we have put in front
12 of you a document which we had marked as
13 Exhibit 114 which is the Amended Notice of
14 Deposition of Mr. Jacob Krumgalz employed by
15 International Gold Star Trading Corporation.
16 Is that you?

17 A. Yes.

18 Q. Did I spell your name correctly?

19 A. Krumgalz, right.

20 Q. Do you prefer Jacob or Jacob?

21 A. Jacob.

22 Q. Okay.

23 A. Thank you.

24 Q. You are currently employed we said
25 by International Gold Star?

1 Krumgalz

2 A. Right.

3 Q. Could you please tell me what your
4 duties are at Gold Star?

5 A. I am a warehouse manager. I am in
6 charge of shipping, receiving, customer's
7 relationship, handling returns, employees'
8 relationships. Basically running the
9 warehouse.

10 Q. How long have you had that position
11 at International Gold Star?

12 A. Ten years.

13 Q. Was that your first job at Gold
14 Star?

15 A. Yes.

16 Q. So roughly 1999 -- 1998?

17 A. '98, actually, yes.

18 Q. Do you remember exactly when you
19 started in '98?

20 A. It's either July or August.

21 Q. So just over ten years?

22 A. Right.

23 Q. As part of your duties do you get to
24 see products as they are being shipped from
25 International Gold Star?

1 Krumgalz

2 A. Yes, I do.

3 Q. Are you familiar with the name
4 Babushka's Recipe?

5 A. Yes, I do.

6 Q. What is your knowledge of shipments
7 of products called Babushka's Recipe from Gold
8 Star?

9 A. As far as the shipping?

10 Q. Yes.

11 A. Or knowledge about the name?

12 Q. Well, first shipping and then I will
13 ask you about the name.

14 A. Well, I know that it was our -- like
15 a private label or trademark, whatever you can
16 call it, name that we used to put on products
17 that was produced for us exclusively, cheese
18 products or meat products, I remember butter,
19 farmer cheese, Havarti cheese, different meat
20 products, kielbasas, a few companies
21 exclusively made for us and we put our label on
22 it, Babushka's Recipe.

23 Q. At the time you joined International
24 Gold Star in July or August of 1998, was
25 International Gold Star at that time selling

1 Krumgalz

2 products with the name Babushka's Recipe?

3 A. Yes. Yes. Butter and -- I remember
4 butter and farmer cheese. The meat products I
5 believe was made later on. I don't remember
6 exactly when, but when it came in, I knew I
7 saw -- I was shipping, actually, farmer cheese
8 and butter.

9 Q. And if I use the Russian word
10 "Tvorog" --

11 A. Right.

12 Q. -- would you understand -- have a
13 meaning to that?

14 A. Yes.

15 Q. What would you understand that to
16 be?

17 A. Farmer cheese.

18 MR. THOMPSON: For the record,
19 Tvorog in English would be T-V-O-R-O-G.

20 Q. In your capacity as the warehouse
21 manager at International Gold Star, do you see
22 all the shipments that go out of Gold Star?

23 A. Yes.

24 Q. And so other than when you are on
25 vacation or sick, I presume then you have seen

1 Krumgalz

2 substantially all of the shipments that have
3 gone from Gold Star in the last ten years?

4 A. Yes. I'm actually in charge of
5 quality control too, so I handle returns and
6 check into products for the quality before they
7 get shipped and where they get received, if
8 they in good shape. So basically all the
9 products go through me.

10 Q. During the past ten years when you
11 described -- since you started with Gold Star,
12 has Gold Star continuously shipped Babushka's
13 Recipe branded products?

14 A. Farmer cheese and Havarti cheese and
15 meat until now, yes.

16 Q. To the best of your knowledge, you
17 have seen those products being shipped on a
18 regular basis?

19 A. Yes.

20 Q. Are you also in charge of seeing
21 shipments that come in to International Gold
22 Star?

23 A. Yes.

24 Q. Do you receive the shipments of
25 products that are manufactured for Gold Star?

1 Krumgalz

2 A. Yes.

3 Q. Do you know of your own knowledge if
4 any of these products that we have discussed,
5 for example, Havarti cheese and farmer cheese,
6 are manufactured by other companies for Gold
7 Star?

8 A. Yes.

9 Q. Who are those companies?

10 A. The cheese is produced by Heini's
11 Cheese, the Amish company in Ohio, I think.
12 The farmer cheese made by Queensboro Company, I
13 think, in Upstate New York, and the meat
14 product, different companies in New Jersey or
15 New York. Basically most of the product come
16 without labels, so we -- our people actually
17 put labels of granny cheese on those products.
18 Havarti cheese and farmer cheese we put
19 ourselves. So we have stock of labels in our
20 warehouse and when they come in, our workers
21 put the label on before they get sold.

22 Q. So the workers at Gold Star apply
23 labels physically to the product?

24 A. Yes.

25 Q. To all of the --

1 Krumgalz

2 A. Not all of them, but farmer cheese
3 and Havarti cheese, yes. Meats, the printed
4 labels come with the casing, the skin of the
5 kielbasa.

6 Q. Do any of the products come in from
7 Bunker Hill Cheese with labels already on them?

8 A. Yes. Yogurt cheeses, Salzberg
9 cheese, Old Salzberg. There is a lot of
10 different cheeses, different sizes, yogurt
11 cheeses, vegetable, garlic. Havarti cheese
12 come without labels. Hunter cheese, a smoked
13 yogurt cheese.

14 Q. So for the products that come in
15 with labels on them from Bunker Hill Cheese
16 that have the name Babushka's Recipe on them,
17 could you please tell me what products those
18 are?

19 A. They come already labeled?

20 Q. Yes.

21 A. I don't think so. Havarti cheese,
22 that comes without labels. Babushka label we
23 put ourself. We get -- I don't know where we
24 getting labels from, but as far as printed, as
25 far as I remember, I don't think it comes

1 Krumgalz

2 printed, Babushka's Recipe, on the yogurt
3 cheese.

4 Q. How about on the Havarti cheese?

5 A. Havarti cheese, no, we put
6 ourselves.

7 Q. How about the farmers cheese?

8 A. Farmer cheese we put our labels, we
9 put ourselves.

10 Q. So the labels directly come into
11 Gold Star and Gold Star employees apply the
12 labels to them?

13 A. Right.

14 Q. And those are actions that you
15 personally supervise; is that correct?

16 A. Yes.

17 Q. So you personally observe the
18 workers putting the labels on?

19 A. Right.

20 Q. Do you personally receive the
21 shipments of the labels?

22 A. Yes. Well, it comes by UPS. I
23 don't open the boxes, it goes upstairs to the
24 office, but I do receive them.

25 Q. So those --

1 Krumgalz

2 A. I'm not opening the box. They open
3 it upstairs in the office and then they bring
4 us the labels.

5 Q. And with respect to the actual
6 products themselves, as they arrived from
7 Bunker Hill Cheese, for example, did those
8 products arrive and get checked by you for
9 quality?

10 A. Personally, yes, me or my assistant.

11 Q. So you actually are the person who
12 does all of that?

13 A. Yes.

14 Q. Could you please tell me do you have
15 any knowledge of how much cheese is shipped by
16 International Gold Star on a weekly basis with
17 the name Babushka's Recipe on it?

18 A. Only the name Babushka?

19 Q. Yes.

20 A. It's hard for me. I'm not following
21 the sales of the products, but I see every day
22 the cheeses are going out, the Babushka's
23 Recipe. How many pounds, I believe about maybe
24 thousand pounds a week.

25 Q. And those products are shipped both

1 Krumgalz

2 to people inside New York and outside of
3 New York?

4 A. Yes.

5 Q. In your job as warehouse manager, do
6 you ever review or -- let me start that over.

7 In your position as warehouse
8 manager, is it part of your responsibility to
9 see shipping invoices from International Gold
10 Star to its customers?

11 A. Yes.

12 MR. THOMPSON: I will show you just
13 for starters an invoice, this will be the
14 first one marked, a four-page document
15 bearing Gold Star's Bates number 0226
16 through 0229, a four-page shipping invoice
17 to the New York International Store in
18 Southfield, Michigan, and I will ask you to
19 look at that once it's marked as
20 Exhibit 115.

21 (Registrant Exhibit 115, Gold Star
22 invoice dated 12-18-98, Bates stamped GOLD
23 0226 through GOLD 229, marked for
24 identification.)

25 MR. FRIEDMAN: Note my objection to

1 Krumgalz

2 the introduction of this document which was
3 first produced today long after the
4 discovery period ended.

5 Q. I will ask you to take a look at
6 that document.

7 A. Okay.

8 Q. Can you identify this document?

9 A. Yes. It's a day-to-day invoice that
10 I see going out to the customers.

11 Q. Do Gold Star's invoices today look
12 the same as this document?

13 A. Yes, they do.

14 Q. And is this the same way documents
15 have looked since all the time you have been
16 warehouse manager?

17 A. Ten years, yes.

18 Q. The invoice date on this document,
19 Exhibit 115, is December 18th, 1998. Is the
20 appearance of Exhibit 115 consistent with your
21 recollection of Gold Star's invoices in the
22 time frame of December of 1998?

23 MR. FRIEDMAN: Objection.

24 A. Yes.

25 Q. Are you familiar with the store

1 Krumgalz

2 New York International Store in Southfield,
3 Michigan?

4 A. Yes, I do.

5 Q. What is your familiarity with that
6 store?

7 A. Well, this is our basically, I
8 believe, best customer that we ship every week
9 shipment to them for ten years as long as I am
10 at Gold Star and they are considered very good
11 customer of ours, so basically my job is to
12 take good care of them and make sure that
13 everything is correct, and so I am paying
14 special attention to -- this customer actually
15 has two stores in Michigan, New York
16 International Southfield and New York
17 International West Bloomfield, Michigan, so as
18 long as I remember there has never been missing
19 week of shipments to this customer.

20 Q. And in that time have you shipped to
21 that customer Babushka's Recipe products?

22 A. I believe I see the invoice, so I
23 guess we did.

24 Q. Could you point to that on this
25 document?

1 Krumgalz

2 A. Yes. One second. I just saw it.

3 MG 05. It's page 2, farmer cheese, granny's
4 recipe, and also MA 18 on the same page, butter
5 Amish, 5 pound roll. That's the butter that
6 we, I remember, used to put granny recipe label
7 on.

8 Q. Is the Amish butter MA18 a product
9 that you purchased from --

10 A. Heini's Cheese.

11 Q. Thank you. And that was also a
12 product that had the Babushka's Recipe on it?

13 A. Yes.

14 MR. THOMPSON: Just for ease of
15 marking, I will ask the reporter to mark as
16 a collection as Exhibit 116 a series of
17 invoices starting at Bates number GOLD 0230
18 through GOLD 0285.

19 MR. FRIEDMAN: Would you mind giving
20 me a minute.

21 (Recess was taken from 3:50 to
22 3:51.)

23 (Registrant Exhibit 116, invoice
24 dated 12-29-98, Bates stamped GOLD 0230
25 through GOLD 0285, marked for

1 Krumgalz

2 identification.)

3 BY MR. THOMPSON:

4 Q. Would you just start to look at
5 those.

6 MR. FRIEDMAN: I'd like to place my
7 objection on the record to all of the
8 documents contained within this exhibit as
9 having been produced for the first time
10 today, well outside of the discovery
11 period.

12 (Document review.)

13 A. I see this every day.

14 Q. Can you identify what these
15 documents are?

16 A. Yes, that's regular invoices that
17 goes to the customers. The first ones are
18 Philadelphia, stores that we ship twice week
19 for ten years and I can see the farmer cheese
20 granny recipe on it, on each of the invoices.
21 Do you want me to go through all of this?

22 Q. No, I just want to first get a
23 general idea from you.

24 A. Yes, that's the regular shipments
25 that we do to Philadelphia, to New Jersey, and

1 Krumgalz

2 all of them have a farmer granny cheese.

3 Q. Now, the products that have the name
4 on farmer cheese granny's recipe associated
5 with them, what labels are applied to those
6 goods?

7 A. Small black and white label. I
8 think I saw it here somewhere. It says
9 Babushka's Recipe. It's a small label, black
10 and white. Yes, this one.

11 MR. THOMPSON: I will hand the
12 reporter a single-page document marked with
13 the Bates number GOLD 0002 and ask that
14 that be marked as Exhibit 117.

15 (Registrant Exhibit 117, Farmer
16 Cheese label, Bates stamped GOLD 0002,
17 marked for identification.)

18 MR. FRIEDMAN: Do you happen to have
19 a legible copy?

20 MR. THOMPSON: I think we have all
21 the same copies. I will show you mine. If
22 you like that better, you can have it.

23 MR. FRIEDMAN: The problem is that
24 you can't read the writing within the
25 design. Do you have a legible copy?

1 Krumgalz

2 MR. THOMPSON: These are the only
3 copies I have. We can certainly ask that
4 we bring some more to Thursday's
5 depositions and we will be happy to provide
6 them.

7 Off the record.

8 (Discussion off the record.)

9 MR. THOMPSON: On Thursday I will
10 have my client bring to the depositions
11 then samples of current labels that we have
12 in stock now applied to products such as
13 farmer cheese and I will ask her to bring a
14 whole set of labels that we have currently
15 for Babushka's Recipe products. You can
16 have original ones in color.

17 MR. FRIEDMAN: Okay. Thank you. I
18 think it would be more important for your
19 client to bring labels that were in use
20 back at the time of these purported
21 invoices, December of 1998.

22 MR. THOMPSON: To the extent they
23 exist, I don't know if we have any, and I
24 will ask my client when we have a chance
25 whether we have ten-year-old labels lying

1 Krumgalz

2 around. It wouldn't be surprising if we
3 didn't. But we have a sample which is in
4 Exhibit 117 which is a copy for that and
5 for all I know they are exactly the same,
6 although they may not be. That's what I
7 will ask the witness.

8 MR. FRIEDMAN: Very well.

9 BY MR. THOMPSON:

10 Q. Could I ask you to look at
11 Exhibit 117.

12 A. The same label has been used ten
13 years ago. Exactly same design. Nothing been
14 changed, as far as I know.

15 Q. This is a product which the label
16 says that it's for farmer cheese; is that
17 right?

18 A. Right.

19 Q. Is that the same label that was
20 used, just to confirm, ten years ago as it is
21 today?

22 A. Yes.

23 Q. Are you aware of any changes or any
24 differences between that label and this label?

25 A. Not at all. Same design.

1 Krumgalz

2 Q. Do you know of your own knowledge
3 the wording that appears inside the design?

4 A. Babushka's Recipe.

5 Q. Could you just indicate on the
6 exhibit where you would find those words?

7 A. I think it's on --

8 MR. FRIEDMAN: I object to your
9 client being here and actually
10 demonstrating where these words are on the
11 exhibit while the witness is trying to
12 answer the question. I object to the
13 positioning of your client being in the
14 direct view of this witness while questions
15 are being asked. I would like to have your
16 client sit in a place where the witness
17 does not see your client, because I think
18 that there is being suggestive messages
19 being conveyed and I think it's highly
20 inappropriate.

21 MR. THOMPSON: Well, first, I will
22 be happy to rearrange the seating and I
23 will point out that the reason we had this
24 particular configuration with the witness
25 at the head of the table and my sitting

1 Krumgalz

2 here was at the request of the court
3 reporter. It had been my suggestion that
4 the two seats be reversed, but the court
5 reporter asked me to have the witness on
6 one side of the reporter and me on the
7 other so that she would hear both of us
8 equally, since I was asking most of the
9 questions, so rather than there being any
10 suggestion that we have somehow established
11 a code system for passing messages back and
12 forth, I just want you to know that we
13 hadn't planned to set it up this way. We
14 are not passing messages back and forth and
15 it wasn't done at our request to begin
16 with.

17 MR. FRIEDMAN: I am not suggesting
18 for a moment that you were a part of it,
19 but I have been sitting here for the last
20 ten minutes watching your client sitting in
21 the direct view of the witness outside of
22 your view, Mr. Thompson, and it appeared to
23 me that there was some suggestiveness going
24 on, but the most recent event of your
25 client standing up to point out on the

1 Krumgalz

2 label exactly where the lettering is in
3 response to your question of the witness
4 was entirely inappropriate and it cannot
5 continue. So if you could rearrange the
6 room now, I'd appreciate that and I'd like
7 you to ask your client not to participate
8 in the deposition.

9 MR. THOMPSON: Well, first, I will
10 ask you how you would like us to be
11 rearranged and I will be happy to sit
12 anywhere you want.

13 MR. FRIEDMAN: I think that you
14 should stay where you are, everybody should
15 stay where they are, but your client should
16 perhaps go and sit outside of the view of
17 the witness.

18 MR. THOMPSON: She is entitled to be
19 in this room.

20 MR. FRIEDMAN: She is.

21 MR. THOMPSON: And she -- we have
22 already actually had a ruling on that by
23 Mr. Baxley, as I recall, when you had
24 objected --

25 MR. FRIEDMAN: She is entitled to be

1 Krumgalz

2 in the room. I am not disputing that.

3 MR. THOMPSON: Well, you pointed to
4 her leaving the room. That was my
5 question.

6 MR. FRIEDMAN: No, outside -- as we
7 sit here, it seems to me that your client
8 could move into that corner behind the
9 witness or into the other corner behind the
10 witness. I don't see anyplace else.

11 (Ms. Pincow complies.)

12 MR. THOMPSON: You can note for the
13 record that she has moved at Mr. Friedman's
14 request.

15 MR. FRIEDMAN: Thank you.

16 BY MR. THOMPSON:

17 Q. Now, do you see on Exhibit 117 any
18 location where the words "Babushka's Recipe"
19 would appear?

20 A. I believe it's on top.

21 Q. May I --

22 A. Babushka's Recipe.

23 Q. I would ask if there is a pen on the
24 table or I could hand you one, I would ask you
25 just to use an arrow with that pen and point to

1 Krumgalz
2 where that would be.

3 A. (Witness complies.)

4 MR. THOMPSON: Would you just show
5 that to Mr. Friedman so he can see.

6 MR. FRIEDMAN: Thank you.

7 MR. THOMPSON: And just so the
8 record is clear, the arrow which now
9 appears in the upper left-hand corner of
10 Exhibit 117 was placed there personally by
11 the witness.

12 Q. Now, in the exhibits, and you can
13 look at Exhibit 115 -- let's look at 116. It's
14 on top. That's the large stack of invoices.

15 A. Okay.

16 Q. I believe you testified that the
17 product number MG05 is the product that has the
18 Babushka's Recipe label affixed to it; right?

19 A. Right.

20 Q. Now, on the description on the
21 invoice it says that it's farmer's cheese with
22 granny's recipe.

23 A. Right.

24 Q. Do you have an understanding of why
25 that terminology is used rather than Babushka's

1 Krumgalz

2 Recipe?

3 A. Granny's, it's in English. If you
4 translate to Russian, it's Babushka's. So I
5 guess it's for -- ethnic customers, Russian
6 customers, are more likely to like Babushka
7 more -- they know this name more than granny's
8 cheese, and for non-Russian speaking customers
9 it says granny cheese, which is exactly
10 basically the same thing. Just for us, because
11 we mostly sell to the ethnic and Russian
12 market, Babushka is more presentable name for
13 the product.

14 Q. So just to be clear, that although
15 the shipping invoice says granny's recipe, the
16 labels that are affixed to the product say
17 Babushka's Recipe; is that right?

18 A. Yes, as far as I remember.

19 MR. FRIEDMAN: Objection. Leading.

20 Q. I will ask you to look at the
21 document which has been previously marked with
22 the Babushka's Recipe Havarti cheese on it,
23 what has been marked as Exhibit 102. It will
24 be in the pile of papers to your left.

25 A. This?

1 Krumgalz

2 Q. Yes. I will ask you to take a
3 moment to look at that and let me know when you
4 are done.

5 (Document review.)

6 A. I'm done.

7 Q. Is that familiar to you?

8 A. It's basically same design that's on
9 the farmer cheese, just different description
10 of product. This one is Havarti Yogurt Cheese
11 and other one is a farmer cheese, but as far as
12 the design of the woman and all the --
13 everything else is the same.

14 Q. And is this a label that you have
15 seen before?

16 A. Yes.

17 Q. In what context?

18 A. That's the label that we put on
19 those cheeses, on Havarti cheese, every day
20 before it goes out for the customer.

21 Q. So these are the products that you
22 personally oversee the application of --

23 A. Yes.

24 Q. -- the labels to; is that right?

25 A. Yes.

Krumgalz

Q. And have you seen them in use since you started with Gold Star?

A. Yes.

Q. And have these labels changed that you can tell in any way in the last ten years?

A. No.

MR. THOMPSON: Those are all my questions.

EXAMINATION BY

MR. FRIEDMAN:

Q. I represent Four Seasons Dairy. My name is Sam Friedman. Looking at this exhibit, R 102, were these labels being placed on the product by Gold Star in the warehouse as of when you started working at Gold Star in July of 1998?

A. This exact label, I don't think it was placed in '98. I'm not sure, but I think it was made little bit later. I can't tell you when, but from my recollection the farmer cheese labels and the butter labels was made -- when I came into the Gold Star they already was doing that.

Q. And Gold Star was affixing the

1 Krumgalz

2 labels itself?

3 A. Employees, yes.

4 Q. Were you personally involved in
5 that?

6 A. To --

7 Q. Affixing the labels.

8 A. No. I was giving the instructions
9 to my employees to do that. The product was
10 coming in separate and the labels were coming
11 in separate. And until now that's what
12 happens. So when --

13 Q. And that product that's coming in
14 separate, where is it coming from?

15 A. Farmer cheese from Queensboro and
16 Havarti cheese from Heini's Cheese, from Ohio.

17 Q. And it's been the practice at Gold
18 Star to affix the labels --

19 A. Yes.

20 Q. -- on to the product for --

21 A. As far as I know, yes.

22 Q. For the Havarti cheese?

23 A. Right.

24 Q. And the yogurt cheese?

25 A. Right.

1 Krumgalz

2 Q. And who manufactures that Havarti
3 cheese?

4 A. Heini's, the Amish company.

5 Q. And who manufactures the yogurt
6 cheese?

7 A. Same company.

8 Q. Are you involved in any way with
9 respect to the delivery of the product to the
10 customers?

11 A. You mean delivery to the store
12 myself or shipping?

13 Q. You have to tell me, because I don't
14 know.

15 A. I'm involved in shipping. I'm
16 involved in checking the product when you go
17 locally on trucks to local deliveries, and I am
18 involved in shipping by -- it depends on
19 trucking company's out of town, means different
20 states all over United States. That's what I
21 am involved in.

22 Q. And the invoices that have been
23 marked as exhibits, do they accompany the
24 product when the product is --

25 A. Yes.

1 Krumgalz

2 Q. -- shipped?

3 A. Yes.

4 Q. Please, I have to ask that you allow
5 me to finish the question before you answer.

6 A. Oh, I'm sorry. Go ahead.

7 Q. These invoices that have been marked
8 as exhibits are shipped together with the
9 product to the customer?

10 A. Yes. Most of the time. If
11 sometimes me miss them, it's been faxed to the
12 customer before the product gets there.

13 Q. Are these invoices created on
14 computer?

15 A. Yes.

16 Q. Were they created on computer as of
17 1998?

18 A. Yes.

19 Q. Are you involved in the creation of
20 the invoices?

21 A. No.

22 Q. Are the invoices kept on the
23 computer?

24 A. What do you mean by "kept"?

25 Q. The records of the invoices.

1 Krumgalz

2 A. That I don't know. I'm not familiar
3 with office work or creation of invoices or
4 where they are being kept. All I know is the
5 invoice is being print out, they get it to me
6 and I am attaching them to the right customer
7 and shipping with the products.

8 Q. If I understand correctly, you are
9 not involved in the actual creation of the
10 invoices?

11 A. No, I am not.

12 Q. Not in any way?

13 A. No.

14 Q. So when you answered that they were
15 created on computer, what was the basis of your
16 knowledge?

17 A. Because I see our office secretaries
18 printing out invoices every day.

19 Q. Printing them out from printers?

20 A. From the -- they are printing out in
21 the computer and they are coming out from
22 printers, yes.

23 Q. What was the computer program that
24 was being used in 1998 for the creation of the
25 invoices?

1 Krumgalz

2 A. I have no idea.

3 Q. Do you know what the computer
4 program is today that's being used?

5 A. No, I don't.

6 Q. Where was Gold Star located in 1998?

7 A. 570 Smith Street, Brooklyn, New York
8 11231.

9 Q. Were you involved in any manner with
10 respect to collecting payment for shipments
11 that went out?

12 A. No, I'm not.

13 Q. Let's take a look at the
14 Respondent's 116. The very first page where it
15 says the handwriting on the bottom. Do you see
16 where it says "paid cash"?

17 A. Right.

18 Q. Whose handwriting is that?

19 A. I believe it's one of the
20 secretaries who is receiving the cash from --
21 actually, this is either the customer or the
22 driver who delivers it to the customer. When
23 the driver brings -- this is Philadelphia, our
24 local delivery. Our driver goes to the store
25 and the customers pay cash for him, so either

1 Krumgalz

2 customer is writing "paid cash" and the amount
3 or the driver and then put the signature.

4 Q. It appears that there are some
5 initials towards the bottom of that page. Do
6 you recognize those initials?

7 A. Right here?

8 Q. Yes.

9 A. No, I don't.

10 Q. So if I understand correctly, you
11 really have no idea whose handwriting that is
12 or how that got there, is that --

13 A. No, I know how it got there, but I
14 don't know who it is.

15 Q. But it could have been written by
16 the customer or --

17 A. Or driver.

18 Q. Or the driver?

19 A. Yes.

20 Q. Do you have your drivers collecting
21 payment from customers?

22 A. Yes.

23 Q. I'd like you to take a look at the
24 same exhibit, but toward where there is the
25 Bates stamp number 0237.

1 Krumgalz

2 A. Okay.

3 Q. Do you recognize that handwriting?

4 A. No, I don't. I can tell you what it
5 is, but I don't know who wrote it.

6 Q. I'd like you to take a look at 239,
7 please.

8 A. Okay.

9 Q. Now, there we see a signature under
10 the "received" section?

11 A. Right.

12 Q. So what does that signify?

13 A. This could be a pick-up -- it's
14 actually a pick-up of when customer comes to
15 Gold Star by himself to pick up the products,
16 he goes upstairs to the office and invoice been
17 print out and then he is signing that he
18 received the product and gets the products and
19 go back to his store without any payments,
20 because there is no mark of being paid.

21 Q. How would Gold Star track the
22 payment if there was no payment being made at
23 the time of the pick-up?

24 A. Well, the computer does it, I guess.
25 If a payment being made, they enter into

1 Krumgalz

2 computer how much was paid, and if it wasn't
3 made, then they don't.

4 Q. And who would enter that information
5 into the computer?

6 A. The secretaries who work on the
7 computers who print out invoices.

8 Q. And these are documents that are
9 kept by Gold Star in the regular course of its
10 business?

11 A. Yes.

12 Q. Where are these documents kept?
13 Where does Gold Star put them after they are
14 created and paid and the handwriting is on it?

15 A. In the office.

16 Q. Where in the office?

17 A. Where exactly in the office?

18 Q. Yes.

19 A. Well, they have -- it's either -- it
20 depends how old the documents are. If it's
21 recent documents, it's kept in the same office
22 that people working in, and if it's not, we
23 have another office on Lorraine Street where
24 all the boxes with the documents are kept.

25 Q. What is the address on Lorraine

1 Krumgalz

2 Street where these boxes are kept?

3 A. I think it's 250 Lorraine Street.
4 It's the same building, just around the corner.

5 Q. And this is where the invoices were
6 kept as far back as 1998?

7 A. I believe. I'm not involved in the
8 office work, but I saw invoices there. When I
9 was visiting the Lorraine Street office, I saw
10 that. As far as the old invoices and not old
11 invoices, I have no idea.

12 Q. When were these invoices created,
13 the ones that are marked as R 116?

14 A. Which one?

15 Q. R 116. This big exhibit.

16 A. Those invoices?

17 Q. Yes. When were they created?

18 A. They have dates. 12-29-98.

19 Q. So they were created at the time --

20 A. 12-22. At the time that we shipped
21 or product was picked up or we delivered. Same
22 day.

23 Q. Okay. And these invoices were kept
24 by Gold Star and there were Gold Star
25 secretaries that would write on the invoices to

1 Krumgalz

2 show when payment came in?

3 A. Right.

4 Q. Then the information would be
5 entered into the computer and the documents
6 would then be placed in storage on Lorraine
7 Street?

8 A. Yes. There was three copies of the
9 invoices. One goes to customer and two goes to
10 Gold Star. Invoice is being print out the same
11 time or date that product is shipped, actually
12 it never -- we never ship the product before
13 the invoice is printed out. I guess it's the
14 same day.

15 MR. FRIEDMAN: Okay. May I see
16 those originals that are in front of the
17 witness?

18 MR. THOMPSON: Sure. Do you want to
19 take a break to look through them?

20 MR. FRIEDMAN: No, that's okay.

21 Q. You say that these are created in
22 triplicate; correct?

23 A. Three different colors.

24 Q. I am not great with colors. Can you
25 tell me what color this is?

1 Krumgalz

2 A. White.

3 Q. Okay. So we are talking about the
4 background color?

5 A. Yes, that's what I am talking about.

6 Q. What are the other colors that are
7 created?

8 A. Orange and yellow.

9 Q. Okay. And do they all have brown in
10 the middle?

11 A. Yes.

12 Q. We are looking at -- the originals
13 are the white invoices?

14 A. Right.

15 Q. Where does the orange invoice go?

16 A. It stays in the Gold Star files.

17 Q. Where does the yellow one go?

18 A. Goes to the customer.

19 Q. And the white one?

20 A. White one -- it depends. If it's a
21 delivery, then it goes with the driver and then
22 coming back to Gold Star, so basically it's
23 coming back to Gold Star.

24 Q. When were these invoices here that
25 are marked as 116, when were these located by

1 Krumgalz

2 Gold Star in connection with this proceeding?

3 A. I have no idea.

4 Q. Were they -- were you at any time
5 asked to look for invoices?

6 A. No.

7 Q. So you have been the warehouse
8 manager continuously since 1998 but you were
9 never at any time asked to look for invoices in
10 connection with this proceeding?

11 A. No.

12 Q. And these invoices, were they found
13 in the Lorraine Street warehouse?

14 A. I have no idea.

15 Q. Now, I notice that many of the
16 entries on these invoices are -- for example,
17 I'm looking at 0251. Maybe you could turn to
18 0251. The first entry, what is that?

19 A. Kabanosy. A meat product.

20 Q. Now, that is in what language,
21 Kabanosy?

22 A. Kabanosy, I believe it's Russian.

23 Q. Why is it that Kabanosy is written
24 out as a transliteration of the Russian word,
25 Kabanosy, rather than the English translation?

1 Krumgalz

2 A. Why? Because we sell it, as I said,
3 mostly to the Russian customers and Russian
4 people like products that they used to eat
5 before when they were in Russia. They remember
6 those products, that they like those products,
7 so the company is trying to remind them, bring
8 the nostalgia and make them believe that it's
9 the same product that they ate ten years ago
10 and that's the reason, I guess.

11 Q. Okay. And then let's take a look at
12 the third entry on that same page. It says
13 something like Krakowskaya?

14 A. Krakowskaya. That's a polish name.
15 That's also kielbasa made for polish customers,
16 Russian customers.

17 Q. The word Babushka, in what language
18 is that?

19 A. Russian. Everybody knows that
20 Babushka is -- the best recipes, the best
21 products that was made before in Russia was
22 made by babushkas at home, made by grannys, by
23 babushkas in Russia, and it was the best
24 product that people used to eat because it was
25 all natural and tasty.

1 Krumgalz

2 Q. So if for Kabanosy you use the
3 transliteration and Krakowskaya you use the
4 transliteration --

5 MR. THOMPSON: I object to the
6 characterization of "you" using it, because
7 I don't think you established that he is
8 responsible for putting that there.

9 Q. When I say "you," I mean Gold Star.

10 A. It's not Gold Star. It's a company
11 who make those products.

12 Q. These are not --

13 A. This is not --

14 Q. These are not Gold Star products?

15 A. No, it's not our product.

16 Q. Which are Gold Star products?

17 A. We manufacture fish. We don't
18 manufacture meat and we don't manufacture
19 cheese. We manufacture fish. So everything
20 that you see here is -- like, for example,
21 page -- second page, page 1, 25008, you have
22 Odessa Style Tulka. It's sardines.

23 Q. I'm sorry, what page are you on?

24 A. Second page.

25 MR. THOMPSON: Just so the record is

1 Krumgalz

2 clear, that's GOLD 0231?

3 THE WITNESS: 25008, that's the
4 item. That's from the top the second page

5 MR. THOMPSON: Again, we are doing
6 this for the printed record. At the bottom
7 there is a little sticker that says GOLD
8 231?

9 THE WITNESS: Exactly, yes.

10 MR. THOMPSON: I just need to ask
11 for a break. Can you just give me one
12 moment.

13 MR. FRIEDMAN: I object to this
14 witness getting on the telephone now during
15 this deposition.

16 MS. PINCOW: That was my husband on
17 the phone, for God's sake.

18 MR. THOMPSON: She handed him his
19 phone. He gave the phone away and is not
20 getting on the phone. Do you maintain your
21 objection?

22 MR. FRIEDMAN: I withdraw the
23 objection.

24 (Recess was taken from 4:27 to
25 4:29.)

1 Krumgalz

2 A. So item number 25008, which says
3 Odessa Style Tulka, this is sardines, salted
4 sardines, made by -- manufactured by Gold Star
5 and the name is given by Gold Star. Odessa is
6 city in Russia, in Ukraine, actually, that was
7 very famous with fish products, so that's why
8 we gave it name Odessa for it to remind people
9 that they used to eat Odessa Style Tulka in
10 Ukraine before. That's the reason same as we
11 give Babushka's name, we gave Odessa name to
12 give more nostalgia to people.

13 Q. Who came up with the name granny's
14 recipe for farmer's cheese?

15 A. I believe, Galina. I'm not sure,
16 but I think she did.

17 Q. Yet on the product itself, it's your
18 testimony that the label Babushka's Recipe was
19 affixed; correct?

20 A. Affixed mean --

21 Q. Placed on the product.

22 A. Placed on the product, yes.

23 Q. Babushka's Recipe?

24 A. Babushka's Recipe, yes. Granny
25 recipe, Babushka's Recipe, for me it's the same

1 Krumgalz

2 thing.

3 Q. So if your testimony is that a label
4 says Babushka's Recipe --

5 A. Right, Babushka's Recipe.

6 Q. Then it might -- then as you are
7 using it, it might also mean granny's recipe?

8 A. On the invoice it says granny
9 recipe, but I know this is a Babushka's Recipe
10 label, product.

11 Q. So I am asking you why on the
12 invoice is the word "granny's" in English,
13 whereas on the product the word is in Russian?

14 A. Well, I believe for marketing
15 purposes, because the product is sitting on the
16 shelves in the stores and when people come in
17 and they see product with -- especially in
18 Russian store, when they see product with
19 Babushka's Recipe, they know what it is. If
20 they see granny, not a lot of people speak
21 English and can read English, they won't
22 understand what it is.

23 Q. Why don't you just put on the
24 invoice Babushka's Recipe to match the product?

25 A. My opinion, I don't know. I think

1 Krumgalz

2 the invoice is official and should be in
3 English. That's as far as I understand. I
4 really don't know why.

5 Q. But many of the other names on the
6 other invoices are in the native language?

7 A. Yeah, because they don't made in
8 other language, so -- I really don't -- I don't
9 know. I can't tell you why.

10 Q. Now, the orange copy of the receipt,
11 where in Gold Star does that go?

12 A. I don't know. Where it's kept you
13 mean?

14 Q. What's its purpose?

15 A. Well, when the invoice prints out,
16 for example, for deliveries, the main copy it
17 stays in the Gold Star. The yellow copy, it
18 stays -- it goes with the driver and the orange
19 copy, it stays in the Gold Star too. For
20 example, if it goes out of town, we are
21 shipping yellow copies to the customers and
22 both copies stayed in Gold Star.

23 Q. Are the orange copies kept in a
24 separate place from the white copies?

25 A. I don't know. I really don't know.

1 Krumgalz

2 I'm not involved in the office -- running
3 office business. I don't know.

4 Q. Who is involved in that?

5 A. The people who works in the office.

6 Q. Please identify those people.

7 A. You want me to give you names, all
8 the people who works in the office?

9 Q. Well, preferably the person who is
10 in charge of it.

11 A. I have no idea. Who is in charge of
12 handling the invoices?

13 Q. Yes.

14 A. I don't know.

15 Q. How many people work at Gold Star?

16 A. In the office?

17 Q. Let's start with the office.

18 A. About nine.

19 Q. Okay. And how many people work in
20 the warehouse?

21 A. About fifteen.

22 Q. You are saying that this would be an
23 office operation?

24 A. Yes.

25 Q. So who is the supervisor of the

1 Krumgalz

2 office?

3 A. Right now it's Julia.

4 Q. What's Julia's last name?

5 A. I don't know.

6 Q. Who was the supervisor of the office
7 back in 1998?

8 A. I forgot her name. Vika. I don't
9 know the last name, but first name is Vika,
10 V-I-K-A.

11 Q. And when did it change from Vika to
12 Julia, approximately?

13 A. To Julia, it's been changed more
14 than -- from Vika to Julia it's been changed --
15 it's changed -- after Vika there was a girl
16 Laura probably, as I can remember, two years.
17 And then after another two or three years there
18 were Luda, L-U-D-A, and then after Luda
19 recently maybe, I don't know, four months ago,
20 three months ago, Julia became manager.

21 Q. Who is it that manufactures the
22 labels for Gold Star, the labels that we see in
23 that exhibit that you were looking at, was it
24 Exhibit 2?

25 A. I don't know.

1 Krumgalz

2 Q. Exhibit R 103. Do you know who
3 manufactures these?

4 A. No, I don't.

5 Q. Do you know whether it has been the
6 same label manufacturer from the beginning
7 until now?

8 A. I don't know. I'm involved in
9 warehouse managing, not office managing, so I
10 have no idea about the office work and labels
11 and invoices.

12 Q. But you supervise the placement of
13 the labels on the product?

14 A. Yes, when they arrive, yes, I make
15 sure they being put on the products.

16 Q. Where do the workers in the
17 warehouse get the labels from? Are they
18 contained in boxes?

19 A. I receive the boxes from UPS or
20 FedEx and then I give it to the workers.

21 Q. And do you -- is there any kind of
22 marking on the boxes that the labels come in
23 that identifies the manufacturer of the labels?

24 A. Could be, but I never pay attention
25 to this.

1 Krumgalz

2 Q. In ten years you haven't paid
3 attention to that?

4 A. No. I been getting those labels, I
5 know that it's labels, from the office. So I
6 don't know from the boxes. The boxes been
7 opened in the office and they bring me down the
8 labels, so I don't.

9 Q. The labels that we see in this
10 exhibit here, Registrant's 117, do they come in
11 the same boxes --

12 A. No.

13 Q. -- as R 103?

14 A. No.

15 Q. They come in a different box?

16 A. Right.

17 Q. Does that mean that they are
18 manufactured by somebody else?

19 A. Probably. I really -- I don't know.

20 Q. Was there a change in manufacturers
21 while you were -- in the ten years that you
22 have been working there?

23 A. I have no idea who is the
24 manufacturer. I can't answer this question.

25 Q. What did you do before you went to

1 Krumgalz

2 work at Gold Star?

3 A. I used to drive a limo.

4 Q. What company did you work for?

5 A. Dial.

6 Q. So were you driving the limo for
7 Dial directly before going to work at Gold
8 Star?

9 A. Yes.

10 Q. Did you have any experience in
11 warehouse management before going to work for
12 Gold Star?

13 A. I had a restaurant before.

14 Q. Before driving for Dial?

15 A. Before driving for Dial, yes. So I
16 had experience in food, but not in running
17 warehouse.

18 Q. And you became the manager of the
19 warehouse directly upon being hired?

20 A. No, when I came in I was assistant
21 manager and then I became the manager.

22 Q. I guess I didn't understand. I
23 thought that in July of 1998 you became
24 warehouse manager.

25 A. Well, I came in the position of

1 Krumgalz

2 warehouse manager. There was a guy who was
3 teaching me the business, so I was like next to
4 him until a few months he left and I was
5 running the business myself.

6 Q. We are talking about Gold Star?

7 A. Gold Star, yes.

8 Q. And you started working for Gold
9 Star in about the month of July 1998?

10 A. July or August.

11 Q. And when you started in July or
12 August of 1998, you were assistant warehouse
13 manager?

14 A. I was hired as a warehouse manager.
15 I had to learn the business, so I wasn't
16 running myself, I was getting instructions from
17 the person who was running the warehouse before
18 me.

19 Q. So then you were the warehouse
20 manager but for a few months you were trailing
21 the actual manager?

22 A. Yes.

23 Q. Who was the actual manager at that
24 time?

25 A. His name was Alex. I can't remember

1 Krumgalz

2 his last name.

3 Q. And commencing in July of 1998 you
4 were on the payroll of Gold Star; is that
5 right?

6 A. Yes.

7 Q. Now, do you have anything that would
8 substantiate your claim that you have been
9 working for Gold Star since July of 1998?

10 A. I should, yes. Should be in the
11 records, of course.

12 RQ MR. FRIEDMAN: I am going to call
13 for production of a record that would
14 substantiate this claim.

15 MR. THOMPSON: I will take that
16 under advisement. I don't know what
17 records exist.

18 MR. FRIEDMAN: Okay.

19 Q. Now, if I were -- I don't want to
20 waste anybody's time. If I were to go through
21 the rest of these documents contained in this
22 large exhibit marked as R 116, I take it you
23 would not be able to identify any of the
24 handwriting on this?

25 A. No.

1 Krumgalz

2 Q. Is that correct?

3 A. Correct.

4 Q. Now, back in 1998 Gold Star was
5 selling meats under the name Babushka's Recipe;
6 is that correct?

7 A. I don't think so. No, the meats was
8 later on. No, I don't think so.

9 Q. Is it the case then that in 1998 the
10 only product sold under the Babushka's Recipe
11 mark was farmer's cheese?

12 A. Farmer cheese and butter, Amish
13 butter.

14 Q. Can you show me an example of the
15 Amish butter in 116?

16 A. I saw it -- I think I saw it here.

17 Q. You are looking at 115. Is that
18 right?

19 A. I don't know the numbers. 0226.

20 MR. THOMPSON: The sticker on it,
21 the sticker up on top.

22 A. 115, right. Yes, on the second
23 page --

24 MR. THOMPSON: So we are clear,
25 referring to Exhibit 115, and Bates

1 Krumgalz

2 number -- what was the lower number on the
3 bottom?

4 THE WITNESS: 0227.

5 MR. THOMPSON: Thank you.

6 A. It's the third item MA18, butter
7 Amish unsalted 5 pound roll.

8 Q. What is the label that was affixed
9 on that product?

10 A. Babushka's Recipe butter.

11 Q. Who manufactured that Amish butter?

12 A. Heini's. I remember it was a blue
13 label. Exactly how it looks, I don't know. It
14 was a big chunk of 5 pound roll of butter and
15 we used to stick the label on it, Babushka's
16 Recipe.

17 Q. It was a blue label?

18 A. Blue color.

19 Q. Blue color Babushka's Recipe?

20 A. Right.

21 Q. Was it the same design as what we
22 see in --

23 A. Yes.

24 Q. -- 102?

25 A. Yes, I think it was same picture,

1 Krumgalz

2 but different name.

3 Q. Different name but on the top it
4 said --

5 A. Babushka's Recipe.

6 Q. Did it also say granny's recipe in
7 English?

8 A. I can't remember. I really can't.

9 Q. Was there a period of time in
10 between July of 1998 and now that Gold Star
11 stopped selling Babushka's Recipe for a limited
12 period of time?

13 A. As far as the farmer cheese, no.
14 The butter, yes, they stopped selling. We
15 didn't sell for long. It wasn't a good seller,
16 I guess, so that's why we stopped, but as far
17 as the farmer cheese, yes.

18 Q. Approximately when did you stop
19 selling the butter?

20 A. I don't know. Six months, a year,
21 but not for long.

22 Q. You mean a year ago?

23 A. No, since I came to the Gold Star
24 from '98 probably six months. It's hard for me
25 to remember exactly.

1 Krumgalz

2 Q. If I understand correctly then, you
3 are saying that during the ten years that you
4 have been employed at Gold Star there might
5 have been a period of six months or so during
6 which butter was not sold?

7 A. No. No. Butter been sold for about
8 six months to a year since I came to Gold Star
9 and then we stopped selling this butter. After
10 a year from '98, let's say, to '99, and then
11 from '99 we stopped selling this butter.

12 Q. That's the Amish butter?

13 A. Amish butter.

14 Q. Okay. Then farmer's cheese --

15 A. Until now.

16 Q. Until now?

17 A. Yes.

18 Q. And the yogurt cheese?

19 A. Yogurt cheese also.

20 Q. Until now?

21 A. Right.

22 Q. And during that entire time, the
23 farmer's cheese has been acquired from
24 Queensboro; is that right?

25 A. Yes.

1 Krumgalz

2 MR. FRIEDMAN: I am just going to
3 review my notes for a minute.

4 (Recess was taken from 4:47 to
5 4:48.)

6 BY MR. FRIEDMAN:

7 Q. Do you have any familiarity with the
8 Gold Star website?

9 A. No.

10 Q. You are not involved in the website
11 at all?

12 A. At all.

13 Q. How about the Gold Star catalog?

14 A. Well, yeah, I saw it many times,
15 yes.

16 Q. How often does Gold Star create
17 catalogs?

18 A. Probably every like -- I don't
19 know -- lately every like year or two we come
20 out with a new catalog. Before I can't
21 remember. Probably every two years.

22 Q. In 1998 when you started working
23 there, did Gold Star have a catalog?

24 A. Yes.

25 Q. Was it the 1998 Gold Star catalog?

1 Krumgalz

2 A. I guess, yes. I don't know.

3 Q. Did it list Babushka's Recipe as one
4 of the products being sold?

5 A. I can't remember. It's thousand
6 products in it. I can't --

7 Q. Would it have been the practice of
8 Gold Star to list Babushka's Recipe as one of
9 the products it was selling if, in fact, it was
10 selling that product?

11 A. I believe so.

12 Q. Did customers order from the
13 catalogs back at that time?

14 A. You ask me a question what a
15 customer would do. The catalog was produced to
16 introduce customers and to remind them of our
17 products, so I believe they looked at the
18 catalogs to see what we have and what we have
19 new.

20 Q. As warehouse manager one of your
21 responsibilities was to fill orders placed by
22 customers; is that correct?

23 A. Yes.

24 Q. And many of those orders placed by
25 customers were placed from the Gold Star

1 Krumgalz

2 catalog; is that correct?

3 A. That I don't know.

4 Q. You don't know where --

5 A. I don't know how they placed their
6 order. They call on the phone and -- most of
7 the customers they are customers for many years
8 and they know the products in their head, so...

9 Q. How often did Gold Star update its
10 catalogs back in 1998, 1999?

11 A. I don't know. I am not involved in
12 the office building -- office work, so about
13 catalogs and price list and invoices, that's
14 not my job, so I wasn't really paying attention
15 to this. I can't tell you.

16 Q. Do you know who it was that would
17 actually print the catalogs for Gold Star back
18 in 1998?

19 A. I guess printing company. I don't
20 know who.

21 Q. You don't know which one?

22 A. No.

23 Q. And do you know where Gold Star
24 would keep its old out-of-date catalogs?

25 A. We don't have out-of-date catalogs.

1 Krumgalz

2 All catalogs goes out and then we are done,
3 they make new ones when the time comes.

4 Q. Do you know whether it was the
5 practice of Gold Star to maintain at least one
6 copy of its old catalogs?

7 A. I have no idea.

8 Q. You stated that as warehouse manager
9 you are involved in customer relationships.

10 A. Right.

11 Q. Have you had any discussions with
12 any customers concerning the Babushka's Recipe
13 dairy products?

14 A. Yes.

15 Q. What have been the nature of your
16 discussions with customers concerning that
17 product?

18 A. Basically my discussion with the
19 customers it's where something is going wrong,
20 if the product is missing or the product is
21 spoiled or different product came in. So
22 basically all the complaints, they come to me.
23 Customers call me and they explain -- tell me
24 the problems what they have and I am trying to
25 solve that, so I'm sure there was calls of

1 Krumgalz

2 spoiled farmer cheese or spoiled Havarti cheese
3 and actually we have some returns for those
4 cheeses to Queensboro sometime, so they do,
5 yes.

6 Q. Have there been any instances where
7 customers have complained to you that they were
8 confused by another product on the marketplace
9 with a similar name to Babushka's?

10 A. No.

11 Q. Are you familiar with Four Seasons
12 Dairy?

13 A. No.

14 Q. Are you familiar with Alexander
15 Bekker?

16 A. No.

17 Q. Oleg Kessler?

18 A. No.

19 Q. Are you familiar with a company
20 called A&O Corp?

21 A. No.

22 Q. What restaurant were you running
23 before you worked for Dial?

24 A. Moscow On The Hudson.

25 Q. And where was that?

1 Krumgalz

2 A. East Village. 11th Street and
3 Hudson.

4 Q. West Village?

5 A. Well, actually, yes, West Village.

6 Q. And when was that?

7 A. That was, I believe, '94, '95.

8 Something like that.

9 MR. FRIEDMAN: No further questions.

10 MR. THOMPSON: I just have a few

11 very short questions.

12 FURTHER EXAMINATION BY

13 MR. THOMPSON:

14 Q. As part of your job description,
15 were you in any way involved with selecting the
16 terminology that appears on the printed
17 invoices?

18 A. No.

19 Q. So you have no personal knowledge of
20 how words were selected to appear to describe a
21 product that appears in the invoice?

22 A. No.

23 Q. And were these descriptions in place
24 before you joined Gold Star?

25 A. I believe so, yes. When I came in

1 Krumgalz

2 the invoices was printed the same way.

3 Q. So, for example, the identification
4 of product MG05 as farmer's cheese "granny's
5 recipe," that's the way it appeared before you
6 got there?

7 A. Right.

8 MR. THOMPSON: I have nothing
9 further.

10 MR. FRIEDMAN: Nothing further.
